Difficulty:

General description and procedure:

- To begin, take a sufficiently large bowl. Combine the following ingredients in it: 20 dag of ham, chopped into small pieces, 10 dag of grated Gouda cheese, 3 x teaspoons of Parmesan, 2 x eggs, 1 x small sour cream, 1 x large tablespoon of chopped parsley, 1 x teaspoon of red pepper.
- If you want the dish to be spicier, you can add cayenne pepper.
- In our case, we used toast, but you can also use rolls cut in half. Pour milk over the toast or rolls to make the bread soft.
- Place the bread on a baking sheet with parchment paper and spread the mixture from step 1 on it. Bake the bread pizza at 180 degrees Celsius until the cheese melts.

Enjoy your meal :).
