## Recipe:

Pudding with applesause

## Ingridients:

1 x bag of gluten-free pudding 1/2 l of rice drink with coconut 3 x spoons of brown sugar 1 x glass of čežane

## **Difficulty:**

## General description and procedure:

- Boil the rice drink, pour the mixture of pudding, sugar and 3 tablespoons of rice drink into it.
- Stir over moderate heat for a good 2 minutes to thicken the pudding.
- Then pour the still hot pudding into cups and top it with čežana.
- If we want to sweeten things up even more, we can put gluten-free cookies at the bottom of the cups.
- You can put the cups in the refrigerator to cool and thus get a refreshing summer dessert.
