Banana pancakes

Ingredients:

150 ml of milk
1 x egg
1 x teaspoon of cinnamon
2 x teaspoons of Greek yogurt
1 x teaspoon of baking powder
100 g of flour
2 x bananas

Difficulty:

General description and procedure:

- Pour milk into a bowl, add egg, cinnamon and Greek yogurt and mix everything well.
- Add baking powder to the flour and mix them with the wet ingredients to get a thick mixture.
- Cut the bananas into rings and dip them into the pancake mixture.
- Grease the pan with oil or butter and heat it.
- Fry the banana rings in a pancake batter on a heated pan at a medium temperature.
- Pancakes can also be spread with jam, chocolate spreads or honey.

- If we have a little mass left at the end, we can make small fluffy pancakes (last picture).
- Bananas can be enjoyed for breakfast, lunch, dinner or a snack. They are also great cold.
