Recipe:
Chocolate hedgehogs

Ingridients:
200 g of cookie crumbs
50 g of butter
4 x spoons of chocolate spread
4 x spoons of cocoa
150 ml of milk
15 g of coconut flour

Difficulty:

General description and procedure:

- Add melted butter, chocolate spread, cocoa and milk to the ground cookies. Mix all the ingredients well to form a uniform mixture.
- Then form balls from the mass. Can be larger or smaller, as desired.
- Finally, we roll them in coconut flour. Instead of coconut flour, you can also use different crumbs picture 2.
- Put the hedgehogs in the refrigerator so that the mass soaks well.
