**Recipe:**

Almond balls

**Ingredients:**

100 g of ground almonds  
60 g of cookie crumbs  
7 tablespoons of milk spread  
5 tablespoons of milk  
20 g of coconut flour

**Difficulty:**

**General description and procedure:**

- Grind the almonds in a multipurpose processor. Add cookie crumbs, spread and milk. Mix all the ingredients well.
- Form balls from the resulting mass, which are then rolled in coconut flour.
- Keep them in the refrigerator.
